Martine Lewis was born and raised in the French speaking province of Quebec, Canada. Her first writing endeavor, at age 11, was a 200-page handwritten Duran Duran bandfiction. All throughout high school, Martine wrote more bandfictions and some original work, then went on to write fanfictions in the Star Wars, Buffy and Harry Potter universes. Her fanfictions in the Potterverse are mostly centered on characters of her own creation and can be found on [www.fanfiction.net](http://www.fanfiction.net).

Following her viewing of Roswell on Netflix in 2012, Martine wrote book two and three of the Gray Eyes Series, then went on to create the Gray Eyes Series universe in which she has been playing ever since. She writes Young Adult Contemporary Coming-of-Age Romance fiction with a touch of supernatural.
